

The logo for ULL Furniture, featuring the letters 'ULL' in a large, white, sans-serif font, with the word 'FURNITURE' in a smaller, white, sans-serif font directly below it. The logo is positioned in the upper left quadrant of the image, set against the dark, textured interior of a rock cave.

ULL
FURNITURE

COLLECTIONS 2026

Original Design

ULL is an original furniture design brand founded in Hong Kong and registered in the United States. Inspired by the growing desire for leisure and joyful outdoor living, we create durable and comfortable furnishings designed to deliver what we call the Ultimate Leisure Lifestyle.

We believe furniture should transcend mere form and function, uniting art with relaxation. With over two decades of design insight and thirteen years of hands-on craftsmanship, we blend technique, meticulous detailing, and modern aesthetics to produce design-driven and enduring outdoor collections.

ULL never limits its imagination to conventional materials—from warm teak to sleek aluminum alloy, from natural rattan to engineered rods. We continuously explore material possibilities to unlock the best in comfort, durability, and aesthetic expression.

At ULL, outdoor living is not just an extension of interior space—it is an expression of personal lifestyle. Through thoughtful design and dedicated craftsmanship, we bring nature, comfort, and uniqueness into harmonious balance, enriching everyday life with beauty and ease.

Product Display

As an international supplier to boutique hotels

and luxury resorts—from Sanya to Bahrain—

we transform hospitality spaces into

immersive experiences. Using elegant

weather-resistant materials and meticulous

attention to detail, we craft more than

furniture: we shape the atmosphere and

emotion of each place.

Aether

「Dome as boundary, sea as soul.」

Curved metal frames echo sea undulations, deep ocean blue upholstery mimics reef calm. Between minimalist lines and warm textures, enjoy the ultimate relaxation of a coastal dome.

Coastal dining set: Extra-long sintered stone table paired with matching metal dining chairs; curved seat ergonomically designed for comfortable support.

The smooth curves of the metal frame
and the fine texture of the fabric
showcase the exquisite craftsmanship.

Aura

[Woven in orange, a bay of summer cool.]

Openwork weave lets hot breezes flow through, curved frames hug the body's natural lines. Between orange sunlight and shimmering waves, experience the romantic harmony of desert and ocean.

It is made of lightweight aerospace-grade aluminum alloy and high-toughness PE woven fabric. The hollow design enhances ventilation.

The frame of the lounge chair is designed with a low center of gravity, and is complemented by curved supporting legs, which not only enhance stability but also create a visual sense of light and floating.
